

COMMUNITY ENGAGEMENT

Welcoming Clubs believe that diversity is a strength and are committed to engaging people from all backgrounds as members and supporters of the club, including proactive engagement with marginalised or underrepresented groups.

2.1

Welcoming Clubs work with the local community to encourage participation in all club roles and activities.

2.11 We have published a commitment to welcome and inclusion.

2.2

Welcoming Clubs encourage and support cultural expression through activities and observances.

2.21 We participate in, acknowledge and/or promote community festivals, culturally significant days or events and religious observances.

2.3

Welcoming Clubs support and promote activities and events that nurture connections between new, established and potential club members.

2.31 We provide social events and activities for established, new and potential club members to learn about and engage with cultures other than their own.
