

## MONEY MATTERS

Welcoming Clubs recognise that the main barrier to participation in sports and physical activity is cost and sustainable membership requires a flexible model that creates varied options for involvement.

<b>6.1</b>  Welcoming Clubs work closely with their community to develop participation models that do not exclude due to financial barriers.	6.11 We provide alternative participation and payment models that reduce financial barriers to membership.
<b>6.2</b>  Welcoming Clubs engage and partner with local businesses to promote shared values of welcoming and inclusion.	6.21 We provide membership options for non-participant/ non- player community members to demonstrate support for the club.
	6.22 We provide opportunities for local business to share, attend and participate in club events and activities.
<b>6.3</b>  Welcoming Clubs seek and support opportunities that address community need.	6.31 We create or support funding opportunities or projects that are beneficial for the club and the wider community.
