

## PLACES & SPACES

Welcoming Clubs provide facilities and spaces that are physically, socially and emotionally safe, that encourage social connection and a sense of belonging.

### 5.1

Welcoming Clubs provide spaces and facilities that are safe and accessible for all.

5.11 We consult with different community members to explore how club spaces & facilities may be more accessible & responsive to community needs & aspirations.

### 5.2

Welcoming Clubs ensure equitable access to facilities and spaces for all club members.

5.21 We ensure relevant spaces and facilities are accessible for all club members regardless of their role or performance level.

### 5.3

Welcoming Clubs provide spaces and facilities that encourage community interaction and facilitate cultural expression and celebration.

5.31 We provide culturally or religiously appropriate spaces where all members of the community can be comfortable and can engage with club activities.
